

# Why Seasonal Maintenance?

# Comfort Check Service Plans

When it comes to making sure your central AC/Heating system is running at its best, we can help with our comprehensive Comfort Check Service Plan. It's an easy and convenient way to ensure your home is comfortable year-round, while helping you save money in more ways than one.

- Keep cooling and heating costs in check with regular maintenance to ensure efficiency.
- Detect potential problems earlier, such as leaks.
- Protect your investment and extend equipment life.

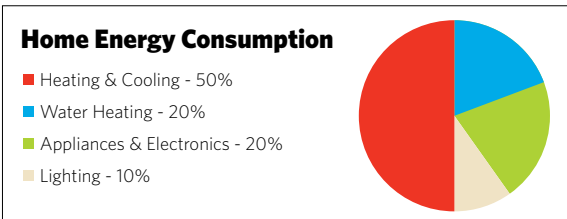

### Exclusive for GVEC Members

- Spread the cost over 12 months; add payments to your GVEC electric bill for single-payment convenience.

### Ask about our duct inspections

According to the Department of Energy a typical home's duct system leaks about **20 to 30 percent** of its conditioned air.

**Heating and cooling is the number one contributor to your monthly bill. It pays to maintain your unit year-round.**
